

Non-Profits

BPJ bpj.com/focus-areas/non-profits/

**Keep Focused on Your Mission
with Coverage from BPJ.**

Continue doing all the good you do secure in the knowledge that your organization has the insurance solutions it needs to enjoy complete protection.

You know your not-for-profit isn't like any other out there. So do we. We have the ability, as an independent agency, to compare rates a vast network of carriers to address your organization's specific needs and cover all vulnerabilities. We then help you decide which plan makes the most sense and gives you the most coverage, so you can keep your focus where it needs to be.

Options Offered by BPJ Include:

Property Insurance

First party insurance that indemnifies the owner or user of property. Covers standard items as well as those unique to organizations, such as administrator's property and property of others, work-related items, facility needed items, and more.

Liability Insurance

Protects commercial insurers from most liability exposures and common situations, as well as enhancements such as libel, slander and defamation.

Workers' Compensation Insurance

The system by which "no-fault statutory benefits," described in state law, are provided by an employer to an employee due to a job-related injury.

Cyber Liability Insurance

Protects businesses and individuals from cyber-attacks and internet-based risks. It involves coverage of data breaches, service attacks, viruses (including those related to information tech infrastructure), and other cyber-based risks.

Employment Practices Liability Insurance

A form of liability insurance covering wrongful acts due to the employment process. The most frequent claims include wrongful termination, discrimination, and sexual harassment.

Business Owners Policies Insurance

Combining business property and liability insurance in to a single business insurance policy. Can also be called BOP insurance, helps cover disasters and claims that can arise like claims of bodily injury or property damage.

Employee Benefits

Employee Benefits are crucial to employee retention. When your team knows you're taking care of them, they are more invested in the long-term success of the business. These benefits can include Health Insurance, Life Insurance, Dental Insurance and more.
